NOAA CHART NEW EDITIONS AND THEIR AVAILABILITY

NOAA recognizes two nautical chart products:

- Charts-On-Demand distributed by OceanGrafix (www.OceanGrafix.com)
- Traditional NOAA/NOS paper charts distributed by the Federal Aviation Administration and the National Geospatial-Intelligence Agency (NGA).

The Charts-On-Demand Charts are available the day after NOAA clears a New Edition for release. The traditional paper charts are available two to eight weeks later. Each is official, should be put into service immediately and meets Federal chart carriage requirements immediately upon its release. For questions contact NOAA at help@nauticalcharts.gov or call 301-713-1773 x 105. Dates of Latest Edition for both charts are listed at <http://nauticalcharts.noaa.gov>.
